THE STATE OF MISSISSIPPI.

MONROE COUNTY.

Probate Court—January Term, 1845.

THIS day Sampson Gaithings the legatee named in the last will of Sampson Gaithings Deceased, late of Baldwin County Alabama, by his attorney filed in court a specified claim against the Estate of James Gaithings Deceased, for the value of certain negroes and their hire with the interest on the same received by the said James Gaithings in his life time as the property of the said Sampson Gaithings Deceased, which were devised to the said claimant, and moved the court to decree that the amount of said claim be set aside, out of the Estate of the said James Gaithings Deceased, to the said claimant.

SHERIFF'S OFFICE,

Athens, Jan. 18, 1845.

JAMES I. STANDIFER,

SHERIFF M. C.

DENTISTRY.

LOOK WELL TO YOUR INTEREST.

THE undersigned begs leave to inform the public generally, and his friends more especially, that he has been to Mobile recently and has procured the best Cast Steel in Europe for making Cotton Gins. He would like farmers to call and examine his saws at his shop, in the town of Aberdeen. Any person not knowing where the subscription will be so good as to ask at the Post or Printing Office.

The Gins of the undersigned will make a better Sample of Cotton, than any other Gins, made anywhere in the states of Mississippi or Alabama, gined out of the same bulk or pile. Left to the best judges in Aberdeen. If not he will give the Gins to the purchaser.

As to the prices of his work it is sufficient to say that they shall be as low as Any workman in the State.
